March 23, 2020

Standing Rock Housing Authority will be closing our buildings to the public effective 3/24/20. We will have a drop-box outside the building for those wishing to pay rent, turn in re-certifications or applications. We will be implementing this for the next two weeks and will update as needed. We continue to limit our contact with the public by not doing in person inspections or any maintenance calls outside of real emergencies. Our staff will be in the office daily to help our tenants or the public through the phone or email. We will update as more information comes in.

Stay safe and healthy,

Chad Harrison

Executive Director

Standing Rock Housing Authority
